America's Leading Fundraising Program For High School Musicians

- Raise more than you ever have before
- Relax while our fundraising coaches lead the fundraiser
- Turn your students into fundraising machines

Fundraising Done the Right Way... The Easy Way.

We live in an era of smartphones and social media, yet many fundraising programs are still stuck in the stone age.

With Fundraising U, we arm your team with cutting-edge fundraising tools designed to generate more funds in less time.

Stop trying to motivate your students to fundraise with outdated systems. Start a Fundraising U fundraiser and see how easy and fun it is for your students.

Music programs aren't cheap to run or participate in, and all too often the financial burden keeps musicians from taking part. We put a stop to that by helping high school music programs generate the funds needed to pay for uniforms, travel and more.
